6 - Utilization (please state the specific purpose for which the goods are to be used, including geographical location):

We want to purchase five sets of MB3a to carry out test research in our laboratory for leaking detection and leaking position determination to Petroleum and Natural Gas Transmission Pipeline. If the research results are positive, we can save the time for leaking position determination, reduce the costs for leaking, lower the risks, and protect the environment. We can get many contract with ChinaPetro and SinoPec.
